It's the one that you've been looking for - light, bright, open and airy. There's great architectural features like a fireplace nestled between built-in bookcases and beautiful hardwood floors too. Love to cook and entertain? Then you'll love the new kitchen that opens to the dining area and the sliders onto the deck. Need to get away from the rest of the family? Escape to the finished basement where you can enjoy some serious binge-watching or go upstairs to the finished attic so you can concentrate as you work-from-home. A short trip down a tree-lined street takes you to the train station or downtown Oradell. You don't HAVE to have kids to love this family-friendly town; enjoy great recreation facilities, parks and schools.
